For sectional games score cards are to be verified correct and handed in to David Kay or Eric Standley. The 1st and 2nd players of the section will play off in the final. The position of 1 and 2 in the section will be decided by games won, 2 points for a win. If there is a deadlock then shots up will determine the 2 finalists. If after 2 games played, the players scheduled to play the final game have both won their 1st game, then they are the finalists.
