

SBC Newsletter

May 2020

Correction

In the previous Newsletter I showed that Yvonne Bekeris and Karen Sander were the winners of the Ladies Pairs Championships. This was incorrect. The winners were Yvonne Bekeris and LYN SHIPPEY. My apologies.

Annual Report

The Annual Report is in the process of being produced. When the audited Financial Statements are available the report will be forwarded to be printed and then made available to members with a note as to how any questions can be put to the Board of Management. A note re subscriptions for the new financial year will also be included.

Annual General Meeting

The club Annual General Meeting has also been postponed. Accordingly the current Board of Management will be acting in a "caretaker" role until the Annual General Meeting can be held. Hopefully the time is fast approaching when the clubrooms will be able to be opened and bowling activities be resumed but possibly on modified rules/guidelines.

Entertainment Fundraiser 2020 Campaign

Now that cafes and restaurants are able to open for restricted dining it may be an opportune time to purchase an Entertainment Membership and don't forget to nominate Somerton Bowling Club as the club will receive 20% of the purchase price. The digital membership can be purchased by going to www.entertainment.com.au/adelaide.

Many restaurants and cafes are now allowing takeaway food to be purchased using the Entertainment Membership.

The new Multi City Entertainment Membership gives 12 months access to valuable savings in 21 cities across Australia, New Zealand and Bali.

Maintenance

New seating and retractable shading for Dixie Dunbar (A) green, north and south ends, which has now been delivered will be installed over the next few days weather permitting by Martin Ancone and a few of his willing helpers. The "bus stop" shelters at the southern end have already been removed.

SBC 100 Club Lottery

With 115 tickets sold the lottery was closed on Sunday 3 May. The organisers decided to add a few more prizes including bottles of wine. The first of 11 weekly draws of \$100 was won by Neville Weckert. Details of all prizes and winners, once drawn, are on the club's website. The lottery has earned approximately \$5,000 for the club. A great effort by organisers Bob Crabbe and David March.

COVID-19 Update

As from Monday 11 May 2020 members are now able to have roll up with four to a rink but all existing rules remain except workers are not included in the number (10). It is essential to book on What's App or if you do not have What's App send a TEXT message to Russ Thomson. Further details were emailed to all members yesterday. Any queries please contact me.
