SBC Newsletter October 2019

Solar Panels Are Go!

Subsequent to our Special General Meeting, Council has approved installation of our solar panels and an agreement has been signed. Approval followed consideration of our installation plan and sign-off of roof structure considerations. We are pushing hard to have the panels quickly installed to maximise gain from the upcoming summer period. Congratulations to Rob Walton for his excellent work in managing this important project.

New Club Meals Arrangements

A new chef contract has been agreed which will see casual meals available for Tuesday, Wednesday and Thursday Night Owls evenings. Meals will also be available on Friday evenings to coincide with our Friday evening bowls competition and Mega-Raffle. Some lucky members had a taste of the meals last week and feedback was very positive.

Friday Night 3 Bowls Pairs Competition

Our new Friday 'Summer League' tournament starts 11 October and will run for 16 weeks from 6.00pm to 7.30pm. It'll be fast, furious and good fun. As much as \$5,000 is up for grabs and every team will win prizemoney. \$1500 will go to the winning pair and \$800 to the runner-up. If you haven't organised your team, do so as quick as you can and advise Ray Whichelo. Don't end up sitting there watching when you can easily take part!

Friday & Saturday Raffle

A new raffle starts Friday 11 October and will run Friday and Saturday evenings. Tickets will cost \$5 to win the nightly raffle prize plus the chance to win \$1000. Roger Heuzenroeder and David March are the raffle organisers. Further information will be on

the Club noticeboard. The raffle will be in addition to the regular Friday evening members' draw.

Night Owls Preparations

Our Night Owls Program (every Tues, Wed and Thurs) starts 8-10 October and preparations are well advanced. Over 80 teams are listed. A lot of work happens each night and behind the scenes and Trevor White, the Night Owls Team and others deserve thanks.

Taylor's Cup Selections

Somerton will have a team in the Silver Division of Taylor Cup. Ray Whichelo will manage and select the team. Selection will be on the Monday preceding the Sunday game and Ray will text those who expressed interest to check availability. A team plus a substitute will then be picked and posted on Wednesday to the club website.

Club Championships

Entries for our club championships close 20 October. \$5 per player entry. David Kay is the tournaments organiser so see David if you have any questions. Note that championship games will be knock out games except Men's Pairs and Men's Singles which will be sectional rounds played on October 25 and December 1 respectively. See detail on noticeboard.

Business Sponsors

The Club welcomes sponsors Cameron Davidson Painters & Decorators and High Quality Crash Repairs. Both are local family businesses with reputations for quality. Please support these businesses when you have opportunity.

"Consult The Professionals"

Telephone. 8377 2129
Mobile. 0418 832 500

We are still looking for more sponsors. If you know of a local business keen to get some excellent promotion and coverage at a small cost, let Rob Walton or Tony Goddard know.

Somerton Sides for 2019-20
