SBC Newsletter November 2019

Skins Tournament

The Club's annual Skins Tournament takes place this Sunday 3 November. If you're not already down to play, either get your name listed or come along and watch the action.

The tournament is generously supported by Harcourts Packham Real Estate. Sharon Gillard from Harcourts Packham will be coming along to say hello and meet the teams. Sharon will also provide \$500 to the Club for any successful property referral to Harcourts Packham during the season by a member, family or friend who have a Somerton Club connection.

Club Open Melbourne Cup Day

For those of you not heading to Cup Day events, the Club will be open for anyone wanting to have a roll-up of bowls and watch the big race broadcast. No social competition is planned but the greens will be available for any players organising their own games.

Club Championships

Club championship play has started with the draws and results on both our website and the noticeboard near the Apparel Room. If you're involved in competition, ensure you you're your match deadlines. If you're not playing, come along to support all players.

Henselite Coaching Bowls Sale

Henselite are advertising sale of new Dreamline XG or Cruze bowls sets for \$380 (colour) or \$340 (black) if purchased before 31 March 2020. Orders must be 4 or more and placed through the Club. Colour and size must be stipulated when ordering. Available sizes are 000 to 4 (gripped only). Given these are advertised as 'coaching bowls', be aware they will likely be engraved with the Club name. Let Tony Goddard know if you wish to place an order. A copy of the Henselite sale offer will be placed on the Club noticeboard.

Solar Panels

114 solar panels were installed on the Club roof last week. The panels are producing power. We are waiting for the installation of an Import / Export Meter in mid-November before we can export any excess power generated. A safe walkway has also been incorporated to allow the servicing of the roof air conditioning units. The Club very much acknowledges Rob Walton's excellent efforts on this important project.

Entertainment Books / Cards

The popular Entertainment Book has now gone digital with membership cards replacing books. On 18 November, a fundraising opportunity will be available with us able to offer Entertainment Book memberships at a good price and with 20% of the proceeds going to our Club. More information will be provided in coming weeks. I suggest if you're looking for an Entertainment Card, don't buy one from anyone else until you see what we can provide.

Guy Leech / Business of Bowls Breakfast

Australian champion Ironman and founder of 'Heart180' will be presenting at Holdfast Bowls Club on November 22. If you are interested in hearing Guy speak in support of Heart Smart activity, email Reception@bowlssa.com.au by Friday 15 November.

National Umpires Reaccreditation

An opportunity for National Umpires to reaccredit and extend their accreditation by 4 years is available via a Bowls SA Course to be held Fridays 22 November and 13 December, 10am to 2pm. For more information, contact Bowls SA Administration on 8234 7544.

Club Meals

Members and friends are urged to support the Club and our new chef, Catherine by getting a group together and having a meal at the club any Tuesday, Wednesday, Thursday or Friday evenings. A variety of delicious meals are available from 5.30pm for just \$12.50.

Sponsors

Over the next few weeks, there will be several new wall, fence and scoreboard signs going up to advertise new Club sponsors. The signs are currently being printed. We will also be updating the Club website with these sponsors' names and logos.

All our sponsors, new and existing, are generously contributing to the Club. We ask members to return support by using the services of these businesses as opportunities arise.

Find the Joker Raffle

Our Find the Joker Raffle continues to elude members with the bonus prize Joker card remaining hidden. Try your hand at finding the Joker card and winning a generous added cash prize by buying a raffle ticket. The raffle is conducted Friday and Saturday at 5.30pm.
